"I wanted to share Hezekiah's Ministry with you. They come alongside families experiencing infant loss with God's love and Biblical care. They provide care packages, weighted remembrance bears, Biblical counseling, and support for families during an incredibly difficult time. You can learn more at HezekiahsMinistry.org."

4 HELP MAKE A CONNECTION

Sometimes one introduction can open a door to reaching more families. Here are a few ways you can help:

Churches: Introduce us to a pastor or church leader who may want to partner with the ministry.

Hospitals and care providers: Connect us with someone at a hospital, mortuary, or other organization that serves grieving families.

Businesses and supporters: Tell a business owner or someone who may be interested in supporting our work.

You don't need to make the ask for us. Simply helping us make the connection can make a difference.
